Notes: These are named after the 3 pubs which have hosted the Monday session in Durham over the last 50 years. See recording at https://youtu.be/LkPSt-0y4q0?si=LX8cenzA4__PamoR. I can see this was written by a mandolinist! This is one case where the bowings are crucial for playing some of these runs, and I had to make a few other adjustments.

Neat tune! Simple in its basic form, but it has really grown on me.

I'm afraid I don't know if there's a "standard" form of the tune; this is just me cobbling together what I've heard and what I've invented on top of it.

Another interesting thing is that she switches between A dorian (with a C natural) - which seems to be the standard - and mixolydian (C sharp).
