Neat tune! Simple in its basic form, but it has really grown on me.

I'm afraid I don't know if there's a "standard" form of the tune; this is just me cobbling together what I've heard and what I've invented on top of it.

Notes: Rye Straw seems to have a zillion variations. The core of this version draws from Darol Anger's arrangement, where he seems to mash the 16 bars of one of its usual B-parts to create a 'bridge' C-part of 10 bars. It's pretty neat!

Notes: Bonnie plays this on the viola and it sounds awesome. I've transposed it up a fifth to work on the fiddle. Another interesting thing is that she switches between A dorian (with a C natural) - which seems to be the standard - and mixolydian (C sharp). She combines B&B with Cuzle Together, another slipjig also in Amix (as well as Elsie Marly). This is supplemented with a version in Edor by Fraser and Haas, with a nice B-part.
